MERRITT YOUTH RETREAT

JULY 19TH - 21ST

at Davis Creek Rec Area

2024 SPEAKER • ZAC JONES

I grew up on a ranch south of Broken Bow, NE. I went to high school in Bow and attended church at the Berean Bible Church. Our family always made it a priority to go to church and be surrounded by Godly values, but it wasn't until high school when the Lord truly grabbed ahold of my life. It was through my church youth group where I learned what it meant to be a follower of Christ. I began to realize the weight of my sin and the amazing significance of the cross and resurrection. I truly believe this is why I've been drawn to working with high school youth because this is where my life in Christ began. Over the last decade I've really developed a love for God's word and a desire to know him more. Merritt Youth Retreat has been a huge part of my life, and it's been a privilege of mine to help with the camp ever since graduating high school. Behind the Lord, my family is my greatest joy... • To read the rest of Zac's bio, head to merrittyouthretreat.org •
